A new PIANO has been purchased for the sanctuary, and the former sanctuary piano (purchased in 2004) has traveled to the gym stage. The former stage piano is playable, but has issues. It is being offered to anyone who could use it and remove it (free... first come basis). Speak with Tony Myers.

* Although the piano is the most used instrument in our worship services, we appreciate every instrument that is used to make music unto the Lord and we appreciate every musician who blesses our worship by playing an instrument! THANKS also to our Music and Worship Commission for their work in planning and providing music. *"Praise God in his sanctuary! Praise him with the trumpet, harp, lyre, tambourine, strings, flute, cymbals... and piano!" (Psalm 150).*

A SPECIAL NIGHT. We are privileged to host an evening with Duncan Holmes, a concert pianist from Texas. Wednesday evening, June 5, 6:30. Duncan is an inspiring pianist and is also blind. His repertoire, talent, and testimony is quite amazing. You will be greatly blessed! OUB sanctuary.

We grieve the passing of Gene Weagley, but we do not grieve without hope (*1 Thess. 4:13*). Gene's celebration of life service will be Saturday, May 18, at 3:00 in the OUB gym.

PROBLEMS

Problem... a situation or matter regarded as unwelcome, harmful, or needing to be changed.

"Up a creek without a paddle."

12:11 cf. 28:19 **LAZINESS** is not simply about physical labor but about

_____ and _____ for your life and its impact (positive or negative) on others.

√ _____ a problem is just as important as _____ one. This involves planning and strategy which greatly increases the likelihood of success. (24:29)

√ Respond to a problem _____ and _____. Ignoring it will only allow the window of fixable opportunity to close. (6:6-8, 10:5, 20:4)

√ In the crucial area of disciplining children, _____ is often renamed _____. This is irresponsible and leads to tragic consequences. Love is diligent. (19:18, 13:24, 28:15)

"Better a hen tomorrow than an egg today."

21:17, 20 **LUST** (often identified with sex) is actually the pursuit of _____ and the unwillingness to be disciplined. Creates immense problems in many

areas.

√ Money fuels lust and lust demands money... a cyclone of infatuation and preoccupation. The demand to have _____ and have it _____ is foolish and dangerous. (10:16, 15:16-17, 16:32)

√ Often lust is fed by the desire to have or do the same as "everyone else." This is in reality a _____ of Satan targeting a _____ of not being accepted by man. (29:25)

"Loose lips sink ships."

10:32 Symbolizing reckless, careless, heedless words, our **LIPS** bring problems and regrets into our lives that could often be

avoided.

√ We need to say what is true. However, this is no excuse for not

_____ the _____ our words will have and making every effort to communicate _____ and _____. (12:18, 15:1)

√ The temptation of "gossip" is wild! (26:22) It will only be resisted by a _____ to _____ to do no harm to someone by harming their reputation (17:9, 18:21 cf. Eph. 4:29-32).
